JANE'S RAIN FOREST BLOG

My class took a trip to the Amazon rain forest. We learned about the poison dart frog. This frog is one of the most colorful animals here, but it can also be one of the most dangerous. These frogs are not safe to touch. Touching one could make you very sick.

There are over 175 different kinds of poison dart frogs. Some are more colorful than others. Doctors and scientists are studying these frogs to find ways that they can help sick people.

1. Where did Jane's class go?
2. How many kinds of poison dart frogs are there?
3. Are these frogs safe to touch?

E Underline the superlative adjectives. Then rewrite.

To form superlative adjectives, add **-est** for short adjectives and **most** for long adjectives.

1. This watch is the most expensive one here.
2. Which subject is the easiest?
3. My sister is the tallest person in our family.

What's your most difficult class? Talk with your partner.
