

CLIL Corner

Miss Wilson made a chart with some information about how the children felt before they went to eat their lunch in the museum.

How many children were thirsty? _____

How many children felt surprised? _____

How many children felt tired? _____

How many of them were hungry? _____

The total number of children in Miss Wilson's class is _____

Circle the pictures that describe how you feel today. Then, talk to a partner about it.

How do you feel today? I feel _____.
