G. Reading (1 point)

Shakira: A Celebrity with a Cause

Shakira is a famous Colombian singer, songwriter and dancer. She also sells a line of beauty products and is sometimes on TV. People all over the world know Shakira. She has millions of fans—she has more than 100 million followers on social media sites! And she uses her fame to do good for other people.

Shakira is a philanthropist. Philanthropy isn't really a profession, but it's similar. It means that she dedicates her resources to helping a lot of people.

She gives money to many charities and educates people about important topics. One topic that is very important to Shakira is early childhood education. When she was 18 years old, she started her first foundation, *Pies Descalzos* (Bare Feet). The foundation helps children in Colombia.

Now, Shakira participates in many additional charities. And she often has concerts to raise money. Some people say that she is one of the most charitable celebrities.

Read the article and choose the correct option.

1. On social media sites, Shakira has more than 100 (**billion/million**) followers.
2. Shakira gives money to many organizations that (**raise/help**) people.
3. Shakira started her first (**foundation/social media site**) when she was 18 years old.
4. She uses concerts as a way to raise money for (**celebrities/charities**)
5. Some people think that Shakira (**was/is**) the most charitable celebrity.
