F. Complete the text. Use comparative or superlative adjectives.

Molly is very good at history. In fact, she's (1) *the best* (**good**) student in the class. In English, she got (2) _____ (**high**) mark in the class. It isn't surprising that Molly is (3) _____ (**good**) in the class at English. She reads a lot of English stories. She likes Maths the least, so it isn't surprising that she got (4) _____ (**low**) mark in that subject. The subject that she is (5) _____ (**happy**) about is Art. She likes Art a lot, so she was sad when she saw her mark. When she discovered that her marks for Science were (6) _____ (**bad**) than most other subjects, she didn't want to tell her parents!
