Lea's parents are going to buy a car. It's an important decision and there are lots to choose from.

Lea likes very expensive cars. Her favourite is a big blue one, but her parents don't have a lot of money. They need something <sup>(1)</sup> \_\_\_\_\_. But the cheapest car they find is very old. It's <sup>(2)</sup> \_\_\_\_\_ than Lea!

Lea's mum wants something newer, more <sup>(3)</sup> \_\_\_\_\_. Lea's dad wants something small, but not as <sup>(4)</sup> \_\_\_\_\_ as their old car. Finally, they decide on a car that all the family like.

'I think it's a good car,' says Mum. 'It's the <sup>(5)</sup> \_\_\_\_\_ car ever!' says Lea. 'Can I drive it when I'm older?'
