

# LEMBAR KERJA PESERTA DIDIK

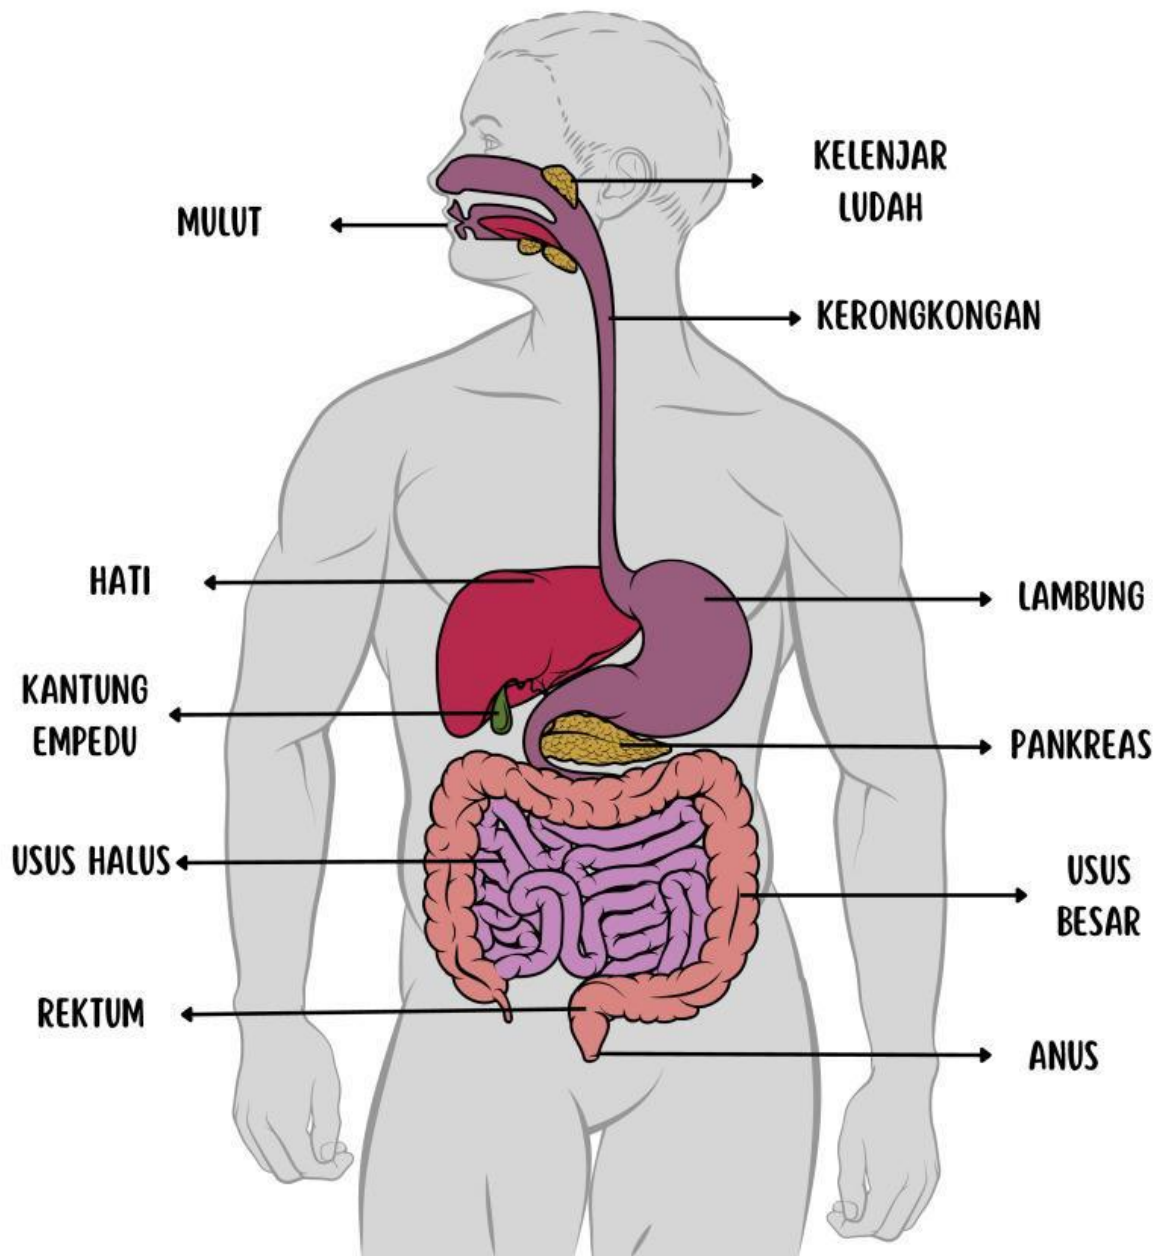

## Sistem Pencernaan Manusia

Nama:

Kelas:

# ORGAN PENCERNAAN MANUSIA

SETIAP BAGIAN MEMILIKI PERAN PENTING DALAM MENCERNA MAKANAN DAN MEMASTIKAN PENYERAPAN NUTRISI YANG TEPAT UNTUK MENJAGA KESEHATAN TUBUH KITA

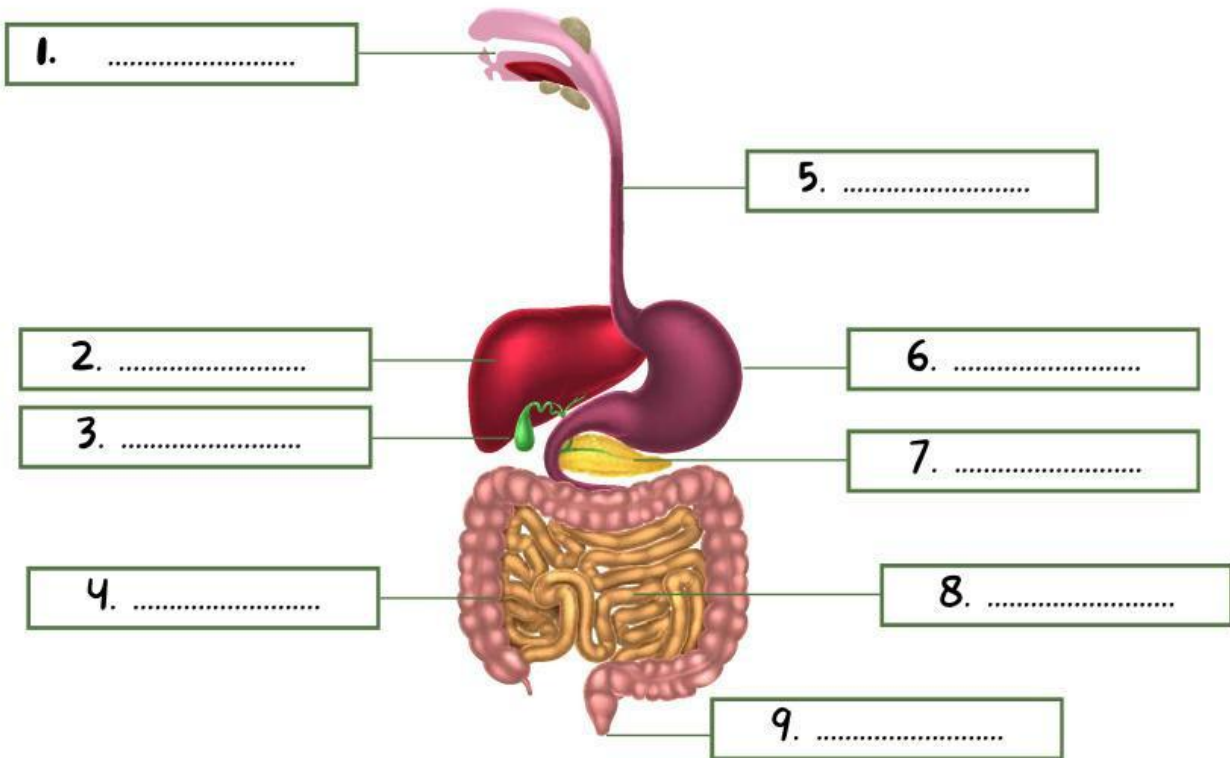

# AYO SIMAK VIDEO DIBAWAH!

# SISTEM PENCERNAAN MAKANAN

Perhatikan Gambar di bawah ini!

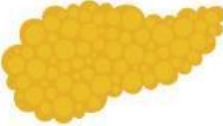

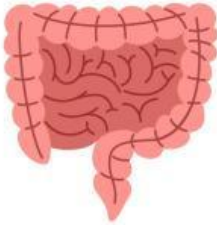

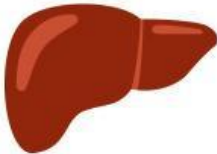

Berilah nama bagian-bagian organ sistem pencernaan yang diberi nomor!

| No | Nama Organ | Fungsi |
|----|------------|--------|
|    |            |        |
|    |            |        |
|    |            |        |
|    |            |        |
|    |            |        |
|    |            |        |
|    |            |        |
|    |            |        |
|    |            |        |

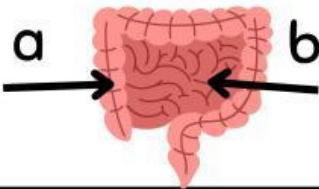

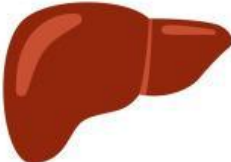

# Organ Pencernaan Manusia

Lingkari sesuai dengan nama organnya!

|                                                                                                                                                                                           |                                                                                                                                                                                                |
