

Create a program from the algorithm below for the Basketball character. Use the **Repeat** block.

Step	Instruction
1	Start on Green Flag
2	Jump (1)
3	Move right (2)
4	Jump (1)
5	Move right (2)
6	Jump (1)
7	Move right (2)
8	Stop program

Step	Instruction
1	
2	
3	
4	
5	

Include the start and end steps in your algorithm.

Run your code a check that you get the **correct results**.
