

Listen to the song and read

C Listen and sing along. **Different Seasons** 1:49

It gets hot in the summer,
Days are long, and it's sunny.
It gets hot, it gets hot.

It doesn't snow in the summer,
But it snows in the winter.
Then it's cold, then it's cold.

It gets cold in the winter,
Days are short, and it's snowy.
It gets cold, it gets cold.
