

JAYDEN'S VACATION

1. Last year, I did a surfing instructor course.
2. and I spent the summer teaching people to surf.
3. It was great! I was in the sea and sun all day, and every evening,
4. my friends and I had a barbecue on the beach.
5. The surf school asked me to return this summer,
6. but I'm not going to do that.
7. Last autumn, I learned to scuba dive,
8. and I'm going to do a diving instructor course soon.
9. Then, I plan to teach diving all summer to earn some money.
10. I don't want to stay in the UK. It's too cold here!
11. I want to fly to Greece or Egypt.
12. I'll go there alone.
13. I'm sure I will meet lots of cool people there!
