## New students at The National University

<b>Mike</b>	I'm a new student in the business department. I have 15 classes every week, but I have lots of homework. I love the course! Mr. Morash is a great teacher and Dr. Denman is good too. In the evenings, I work at a bike shop, about 20 hours every week. In my free time, I like riding my bike, walking in the mountains and meeting friends.
<b>Christy</b>	My name is Christy McHugh, and I'm a first-year student of science. I study biology and chemistry. I prefer biology and I want to be a doctor. I have many classes: 30 classes per week, and I also have a lot of work. It's difficult sometimes. When I'm not in school, I like to be with my family. I still live in my parents' house, and we have a dog called Snooky. I love cats, dogs and horses.
<b>Dave</b>	Hi! I'm Dave and I'm a student of music. I started playing the piano at the age of six, and then, I learned the guitar and violin. My parents both play music. My dad plays the guitar and my mother is a singer. I love the music department here at The National University. I have 20 hours of classes. One of my teachers, Lyndsey Watkins, plays music on TV so it is great to learn from these teachers. I have no free time because I'm in a music group. I play concerts every week, but I like computers and making music online
