2. NO MAPA ANTERIOR COLOCA OS OCÉANOS QUE BAÑAN A EUROPA E OS SEGUINTES MARES: MAR MEDITERRANEO, MAR DO NORTE, MAR NEGRO, MAR CASPIO E MAR BÁLTICO

A topographic map of Europe showing elevation with a color scale from green (low) to brown (high). Numerous white rectangular boxes are placed across the continent, indicating specific sampling locations. A white circle is located in the Iberian Peninsula, and a white triangle is located in the Balkans.

Como se chama a montaña que está representada que é a máis alta de Europa?
