4. Read and answer the questions.

Hi! My name is Elina. I live in Finland. It is very cold here so we do lots of winter sports. I love skiing and ice skating. I compete every year in a special competition. This year I fell and broke my arm.

Now I cannot ski for two months. It makes me sad. My brother also fell and broke a tooth. Now he has a fever.

This weekend, we are staying at home and drinking hot chocolate because we cannot ski.
