

SCRIVI IL TUO NOME _____

TERMINI DELLA DIVISIONE

A diagram showing the equation $246 : 2 = 123$ on a grid. Three blue arrows point to the components of the division: one from the top-left box to the dividend '246', one from the top-right box to the divisor '2', and one from the bottom box to the quotient '123'.

$$246 : 2 = 123$$
