

Punc-punc-punctuate!

These paragraphs have issues!

Rewrite each paragraph so that people can actually understand them!

1) I wake up to go to school at 6:00 I brush my teeth and get dressed after that I get my backpack and say good-bye to my mom I race to get to the bus on time I eat breakfast at school

2) when I graduate I want to be a sonographer this is a person who takes pictures of babies before they are born it would be so cool to see the mother's happiness the first time she sees her baby the doctor would look at the pictures to make sure the baby is healthy

3) sometimes at school I don't want to do my work when I don't do my work I get very bored there is nothing to do if I try to play videogames I get in trouble maybe I should do my work then I would not be bored and I might actually learn something

4) in my opinion music is very important there are many kinds of music such as pop rap jazz and reggaeton every kind of music makes a mood if you are sad you can listen to happy music to feel better if you are celebrating the music can make your party fun and exciting music can change people's emotions
