

Activity 5

Compare the algorithms below.

Choose the best algorithm to get you to school.
Remember algorithms need to give exact steps which can be followed.

Algorithm 1	Algorithm 2	Algorithm 3
<ol style="list-style-type: none">1. Start2. Get up3. Get dressed4. Go to the kitchen5. Eat breakfast6. Get school bag7. Get on school bus8. Go to school9. End	<ol style="list-style-type: none">1. Get up2. Eat breakfast3. Go to school	<ol style="list-style-type: none">1. Start2. Get up3. Go to kitchen4. Eat breakfast5. Go to room6. Get dressed7. Get school bag8. Get on school bus9. Go to school10. End
