#### Information for visitors

We want all visitors to our beautiful park to have a great experience. Please read this safety information at the beginning of your visit.

- The weather can change quickly in the park. When it's cold, you lose 80% of your body's heat from your head. Take a <sup>1</sup> \_\_\_\_\_ with you and wear it when you are cold.
- You can get medical help at the National Park visitor's center, but take a <sup>2</sup> \_\_\_\_\_ with you on long walks.
- For long walks and climbing, you can buy a <sup>3</sup> \_\_\_\_\_ from the National Park store. This shows all the walks and routes through the park.
- There are three levels of routes for walkers and climbers in the park: green is easy, orange is difficult, red is very difficult. On green routes you can wear normal <sup>4</sup> \_\_\_\_\_, but on orange and red routes wear strong walking <sup>5</sup> \_\_\_\_\_.
