The diary column

Pop star Lee Divine travelled from London to New York yesterday by plane.

Lee had visited his hairdresser before he went to the airport and wore his latest designer clothes, as he likes to look his best in photos. Press photographers usually follow him wherever he goes but the weather was very bad yesterday and, to Lee's obvious disappointment, there were no photographers at the airport.

Because he is famous, he didn't stand in the queue and his bodyguard carried his luggage for him. Although most people have to walk from the car park, Lee has a driver who drove him right to the door. Even this did not seem to make him happy. Lee got angry with his driver on the way because he said she wasn't driving fast enough. Of course, they arrived at the airport in plenty of time.
