## Grammar

### there is/are

3 Choose the correct alternatives.

I hate my town, it's really boring. There aren't <sup>1</sup>a/any cinemas or theatres and it's very small. There <sup>2</sup>re/s a shop, but it's very small and there <sup>3</sup>isn't/aren't any nice things in it. There are <sup>4</sup>a/any lot of cars in the town, so there <sup>5</sup>re/s a lot of air pollution. However, there are <sup>6</sup>some/any nice parks near my house. I often play football there with my friends and there's <sup>7</sup>a/some nice football pitch. I'd like to move to a big city though.

4 Put the words in the correct order to make sentences or questions.

1 any / town / There / aren't / my / in / offices / .  
*There aren't any offices in my town.*

2 some / house / There / my / near / are / shops / .

3 shops / village / Are / your / any / there / in / ?

4 a post office / There / isn't / near / me / .

5 town / There / a police station / isn't / my / in / .

6 your / Is / there / a train station / in / town / ?

7 There / shops / are / of / lot / a / .

8 over / There's / there / a garage / .

9 your / any / shops / good / Are / there / town / in / ?

10 Is / a car park / there / near / the bank / ?

5 Use the prompts to write sentences with *there is/are*.

1 lot / museums / London.

*There are a lot of museums in London.*

2 not / places for young people.

3 cinema / my town.

4 not / police station / near here.

5 train station / next to my office.

6 not / theatre / my city.

7 not / garages / this area.
