I am here to make some _____. I wish I had some pollen.

Hey, I got some **pollen**! Check it out!

Can I have some? You bet, come and get it!

Well, we got a problem.

What?

I can't walk.

Oh, right. Neither can I.

If only there was someone who can pick up your _____ and bring it over here to me.

Can't you hear my babies crying? They're hungry! They need **pollen** for food! The workers are hungry too. We need _____to make _____for them. Go get me some pollen and nectar!!!!

As you wish, your majesty. Bzzzzzzzzzzz.

Hey, what's up flower dudes?

Hey, Bee!

Oh yeah, hey bee!

Why are you guys acting so weird?

Well, you see, we need some help from somebody with _____. I got wings. What can I do for you?

My friend here, needs a little bit of my **pollen**. I can't walk, and he can't walk. Do you think you can deliver it over there to him?

Well sure, but I need some pollen too! Could I have a little bit?

Sure! there's enough for all! Tee-hee-hee, that tickles! Hey, thanks _____!

Now I've been pollinated. Pretty soon I'll be making some **seeds**!

Hey, you know, I need a little nectar too? Do you have any of that _____, juicy nectar for me?

Well sure, we made some just for you. Take all you want

Hey, now I've been _____ too! Thank bee!

Everybody happy?

Yeah, I'd say that was mutually beneficial for all of us!

Later flower dudes!

Later bee!
