The jungle

A jungle is a kind of ……of……. forest. In jungles the weather is hot and it often rains. The …….jungle in the world is called the Amazon.
The leaves of plants are very big in these hot and wet places.
It is really difficult for people to walk in the jungle……they often can't see the ground!
Tiger, snakes, monkeys and parrots are some of the animals ……..live in the jungle
……..jungle animals live above the ground
In some jungles, there are frogs that can…… between the trees!
