The corner shop sells all kinds of household goods and simple food and drinks like snacks, groceries, coffee, soft drinks. It also sells newspapers, magazines, and cigarettes.

Convenience stores are originally from America. They are like the British corner shops. The only difference is that convenience stores are often open 24 hours. Probably the most well-known convenience store is 7-Eleven. You can find a convenience store at any residential area, a filling station, a railway station, or alongside a busy road.

Today, there are convenience stores all over the world. Each country has its own brand of convenience stores as well as the global brand 7-Eleven.
