

ROLE PLAY PRACTICE!!

We are going to watch a video of a group of Spanish children taking part in a role play. Try to answer and solve the activities below.

QUESTIONS!

What do you think about the video? Do you think they were having fun? Do you think they were nervous? Why? Why not?

They are a group of Spanish kids. Did you notice their Spanish accent? Do you think they should avoid using that accent? Did that accent affect understanding?

What sounds do you notice different? Think about words and examples. Try to repeat those words using your own accent.

Have another watch to the video if necessary and answer:
Which of these situations were they role playing?
