Unit 7 Lesson 5

1 Listen and point. Then say.

2 Look at the alien. Say true sentences.

He has six toes.

3 Sing and act it out.

Shake your arms,
Shake your legs,
Clap your hands,
And stamp your feet

Arms, legs, hands, feet!
Arms, legs, hands, feet!

Touch your ears,
Touch your toes,
Close your eyes,
And touch your nose

Ears, toes, eyes, nose!
Ears, toes, eyes, nose!
