

# Mathematics Review 1

Expand these numbers using method 1.

$$54\,321 =$$

$$809\,024 =$$

$$7\,987\,045 =$$

Expand these numbers using method 2.

$$98\,765 =$$

$$309\,093 =$$

$$6\,980\,600 =$$

Expand these numbers using method 3.

$$23\,003 =$$

$$904\,399 =$$

$$1\,293\,840 =$$

I am great at

I need to review

Round off to the nearest 10.

54 321  $\approx$

809 024  $\approx$

7 987 045  $\approx$

Round off to the nearest 100.

98 765  $\approx$

309 093  $\approx$

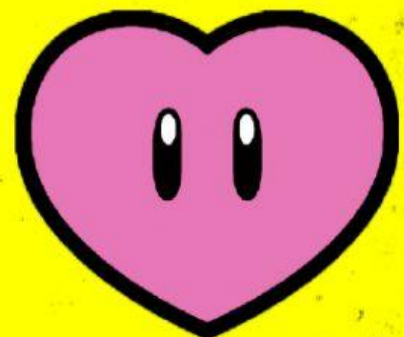

6 980 600  $\approx$

Round off to the nearest 1000.

23 003  $\approx$

904 399  $\approx$

1 293 840  $\approx$
