

Zero conditional

What happens if a person doesn't sleep for 24 hours?

What is the result when you eat something very cold?

If you put a spicy pepper in your mouth, what happens?

What happens to grass if there is no rain for a long time?

First conditional

What will you do if you break up with your friend?

What will you do if you get divorced?

If you want to relax after class, what will you watch?

If you have some free time on Saturday, will you study more?

Second conditional

If you were powerful enough to change the world, what would you change?

If you were given three wishes, what would you wish?

Where would you go if you could go anywhere in the world?

If you could change your past, what would you change?

Third conditional

What university would you have chosen if you could have done absolutely anything?

Would you have attended university if you have had the money?

Would you have bought a brand new car if you have had enough money to do so?

What would have been different about your life if you had grown up in another country?
