STORYTELLING WORKSHEET

The Princess and the Sunpati Flower

Once, a king had ____ queens, sisters. The _____, jealous of the _____'s pregnancy, plotted against her. After the elder queen gave birth to a _____, the younger queen tried to dispose of him, but a _____ rescued the baby. When the elder queen later had _____, a son and a daughter, the younger queen again tried to harm them, but the _____ saved them too. The children grew up happily in the _____'s house, unaware of their royal lineage.

The king fell ill, and a _____ told him he could be cured by eating the petals of a _____ flower. The king promised a reward for whoever could bring him the flower. The _____ prince set out but was defeated by a ghost. The _____ prince went after him but got stuck in a mountain. Finally, the _____, determined to save her brothers, defeated demons and reached the _____ tree. The nightingale revealed their true identity and gave her the flower.

She revived her brothers and returned to the palace. The king was cured, and the nightingale revealed the truth to him. The younger _____ was punished, and the elder queen was welcomed back to the palace.
