She takes the children to school and starts work at 9 o'clock. Maria Jose is a guide and in the morning she shows tourists around the island. She always goes home for lunch and then in the afternoon she works in the tourist office in Santa Cruz. She works from Monday to Friday, and twice a month she also goes to work on Saturday. In her free time she reads books with the children and does exercise with her friend, Carmen.

But sometimes he goes to work on Saturday and then he feels stressed.
