SUMEM INSECTES
arrossega els números correctes

A math problem on a purple background. On the left, there are 5 cartoon insects: a black fly, a blue dragonfly, a blue spider, a yellow and red butterfly, and a brown ant. Below them is a dashed square box. In the center is a large black plus sign (+). To the right of the plus sign are 4 cartoon insects: a green grasshopper, a red ladybug, a yellow and black bee, and another yellow and black bee. Below these insects is another dashed square box. To the right of the second box is an equals sign (=) followed by a large dashed square box for the answer. The signature 'emmajanka' is in the bottom right corner of the purple area.

SUMEM SIRENES
arrosegue els números correctes

A large teal rectangular area contains an illustration of a math problem. On the left, two mermaids are swimming: one with pink hair and a green tail, and another with blue hair and a green tail. Below them is a dashed square box. In the center is a large black plus sign. To the right of the plus sign, two more mermaids are swimming: one with green hair and a blue tail, and another with brown hair and a green tail. Below them is another dashed square box. To the right of these is a large black equals sign, followed by a larger dashed square box for the answer. The background is filled with blue bubbles. The signature 'emmajanka' is in the bottom right corner of the teal area.

SUMEM SUPERHEROIS
arrossega els números correctes

A blue rectangular area containing a math problem. On the left, there are 6 superhero characters arranged around a dashed square box. In the center is a large black plus sign. To the right of the plus sign are 4 superhero characters arranged around another dashed square box. To the right of these is a large black equals sign followed by a dashed square box for the answer. The signature 'emmajanka' is in the bottom right corner of the blue area.
