4. Did you '**watch** the docu'**mentary** about '**air** pol'**lution**?

VOCABULARY: Match the words and phrases with their meaning

|	
biodiversity	the variety of plants and animals in a particular area
habitat	animals and plants that grow in natural conditions
ecosystem	changes in the world's weather, especially an increase in temperature
wildlife	the natural environment in which a plant or an animal lives
climate change	all the plants and animals in an area and the way they affect each other and the environment

LIVEWORKSHEETS

REPORTED SPEECH

We use reported speech when we want to tell someone what we or someone else said before.

When we use reported speech, we change personal pronouns, tenses of verbs, and adverbs of time.

Example:

'I will fly to Ho Chi Minh City tomorrow,' Nam said.

→ Nam said *he would fly* to Ho Chi Minh City *the following day*.

When reporting questions, we often use the verb *ask* and the word order for statements, and omit the question mark.

– Wh-questions:

Example:

'Where do you live?'

→ He *asked* me *where I lived*.

– Yes/No questions:

Example:

'Do you like the book?'

→ He **asked** me *if I liked* the book.

REDUCE REUSE RECYCLE

Activity: Choose the correct word or phrase to complete each sentence.

1. Minh's teacher asked him it he **was / is** ready to present the following day.
2. Nam's father **suggested / denied** that Nam should focus on one aspect of the problem.
3. Tuan said he would complete his project **the following week / next week.**
4. Mai **asked / said** her teacher where she could get the information from.
5. Phong said he **handed / had handed** in his project the previous day.
