

OFF SICK

Today I am very sick. No school for me.
At noon I ate my lunch.

I want to get up. Now I am very sad and
very bored. I must stay in bed and rest.
My brother, Sam, came home from school.
He ate a sandwich. Dad and Sam
are going swimming.

Can I go swimming too? My mom said,
"We will swim when you are well, tomorrow."

Click on the correct answer.
