DIAMONDS

See like find hold shine feel hold are

Shine bright like a diamond
Shine bright a diamond
..... light in the beautiful sea, I
choose to be happy
You and I, you and I, we're like diamonds
in the sky
You're a shooting star I, a vision of
ecstasy
When you me, I'm alive, we're
like diamonds in the sky
I knew that we'd become one right away
Oh, right away
At first sight I felt the energy of sun rays
I saw the life inside your eyes
So bright, tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky
Shine bright like a diamond (whoa)
Shine bright like a diamond (whoa)
Shining bright like a diamond
We..... beautiful like diamonds in the
sky
Shine bright like a diamond (whoa)
Shine bright like a diamond (whoa)
Shining bright like a diamond
We're beautiful like diamonds in the sky
Palms rise to the universe as we
moonshine and molly
..... the warmth, we'll never die,
we're like diamonds in the sky
You're a shooting star I see, a vision of
ecstasy
When you me, I'm alive, we're
like diamonds in the sky

At first sight I felt the energy of sun rays
I saw the life inside your eyes
So shine bright, tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky
Shine bright like a diamond (whoa)
Shine bright like a diamond (whoa)
Shining bright like a diamond
We're beautiful like diamonds in the sky
