

Let's go green!

 Hi, Nick.

 Hello, Mi.

 You've bought a lot of things.

 Yes. We're going on a picnic tomorrow.

What are you doing at the supermarket, Mi?

 I'm buying some eggs. Hey, what's this?

 It's a reusable shopping bag.

 Do you always use it?

 Yes. It's better than a plastic one. If we all use this kind of bag, we will help the environment.

 I see. I'll buy one for my mum. Where can I buy one?

 At the check-out. By the way, you're also green. You're cycling.

 You're right. If more people cycle, the air will be cleaner. Right?

 Yes. Oh, it's 5 o'clock already. I have to go now. See you later.

 See you, Nick. Bye.
