3. Tell the class about your interview.

You: Hi, Nga. Will you have a lot of trees and flowers around your house?

Nga: Yes,I will.

You : Will you have a fridge that can cook your meals?

Nga: Oh, yes I will.

You : And will you have a robot that can look after your children?

Nga: I'm not sure.But I might have a car to fly into space.

In the future, Nga will have a lot of trees and flowers around your house ,she will have a fridge that can cook your meals. But she won't have a robot that can look after your children. And she might have a car to fly into space.
