Name: \_\_\_\_\_ Section: A

Read and Answer

We went to Queen Alia International Airport on Saturday. It's the biggest airport in Jordan. There is a new airport building. King Abdullah opened the new building in March 2013. It's a modern building. You can find a lot shops, cafes, and restaurants inside the building. It is great. The new building is more than 100,000 square meters. That's about the same size as two of the old building. More than 1,000 planes land and take off from the airport every week. Many people come here every year.
