

# Can't help falling in love

Wise men say  
Only fools rush in  
But  
in love with you  
Oh, shall I stay?  
Would it be a sin?

Oh, if  
in love with you  
Like a river flows  
Surely to the sea  
Darling so it goes

*Some things  
Are meant to be*

*Take my whole life too  
Oh, for  
in love with you*

*Oh, like a river flows  
Surely to the sea*

*Some things are meant to be*

*Oh, take my hand  
Take my whole life too  
For*

*in love with you  
Oh, oh, for I,  
in love with you*
