Mary's Hobbies and Interests

Mary Green has a lot of hobbies and interests. She usually gets up very early so she can run before work. She doesn't often have a lot of time to ski, but she occasionally goes on Saturdays evening during the winter. Mary often rides a black horse at a stable near her big home. She sometimes goes after work, but she usually goes horseback riding on Sundays morning. She loves music.

She always goes to opera choir practice on Wednesday evenings and sings in church on Sundays. She doesn't have much extra money, so she rarely goes to opera concerts in the city. She seldom watches TV because she likes doing many things outside. She usually goes to work out the gym if it's raining outside. She isn't often alone because she has a lot of kind friends. She occasionally does something alone, but she usually does her activities with one of her friends. She's a very happy woman.

Organize the paragraphs based on what you listen

Tom lives on a farm. He and his family have chickens, cows and horses. They don't keep their birds in cages, because they think that this is cruel and prefer let them fly free. _____

Susan and Tome attend the same school and are friends. They often like to talk about their animals and the importance of taking care of them. _____

Susan lives in a small flat and loves animals. She has several pets, a cat and a fish, but she doesn't have a hen or a snake. _____

Susan and Tome enjoy school; especially science classes, when they learn more about the life of animals and nature. _____

She has time to feed her pets before she goes to school because she only lives one block away from school, and in the afternoons she must help her mother by doing her chores, or home work. At the weekends she enjoys going to the shopping mall with her friends. _____

. At the weekends Tom enjoys walking to the mountains or playing in the river. Sometimes he meets Susan to watch a movie at the mall. _____

Tom has to feed the chickens every day. He cannot do this job in the morning because he has to walk for over an hour to get to school. Instead, he feeds the chickens in the afternoons when he has more time to feed them properly, change their water and collect the eggs. _____
