

## Bandwidth and Network Performance

Name: \_\_\_\_\_

Read the 'Bandwidth and Network Performance' content in the Learner's Book to complete the following:

- Sort the following transmission medium in ascending order of their bandwidth:
  - Twisted copper wire
  - Wi-Fi
  - Fibre-optic cable
- Sort the following activities according to their bandwidth requirements to complete the table:
  - streaming HD videos
  - downloading text files
  - streaming movies
  - video calls
  - sending emails
  - live streaming an audio webinar
  - VoIP (Voice over Internet Protocol)

Requires a lot of bandwidth	Requires little bandwidth
