[Verse 1:]

We're a _____ miles from comfort, we have traveled _____ and _____

But as long as _____ are with _____, there's no _____ I'd rather be

I _____ wait forever, exalted in the scene

As long as _____ am with _____, my _____ continues to beat

[Pre-Chorus:]

With every _____ we take, Kyoto to The Bay

Strolling so _____

We're _____ and the same, gave you another _____

Switch up the batteries

[Chorus:]

If you _____ me a chance I would _____ it

It's a _____ in the dark but I'll make it

Know with all of your _____, you can't chain me

_____ I am with you, there's no _____ I'd rather be

No, no, no, no, no _____ I'd rather be *[3x]*

[Verse 2:]

We set out on a _____ to find our inner _____

Make it everlasting so _____ 's incomplete

It's _____ being with you, sacred _____

_____ we're together, there's no _____ I'd rather be.
