Chiquitita, tell me what's _____
You're enchained by your own

tomorrow
How I hate to see you like this
There is no way you can _____ it
I can see that you're oh so sad, so

Chiquitita, tell me the _____

Your best friend, I'm the one you
must rely on
You were always sure of _____
Now I see you've broken a

I hope we can patch it up together
Chiquitita, you and I know
How the heartaches come and they
go and the _____ they're leaving
You'll be _____ once again and

You will have no time for grieving
Chiquitita, you and I cry
But the sun is still in the _____ and
shining above you
Let me hear you sing once more
like you did _____
Sing a new song, Chiquitita
Try once more like you did before
Sing a new song, Chiquitita
So the _____ came tumbling
down
And your love's a blown out

_____ All is gone and it seems too hard to
handle
Chiquitita, tell me the truth
There is no way you can deny it
I see that you're oh so sad, so

Chiquitita, you and I know
How the _____ come and they
go and the scars they're leaving
You'll be dancing once again and
the _____ will end
You will have no time for _____
Chiquitita, you and I cry
But the sun is still in the sky and
_____ above you
Let me hear you sing once more
like you did before
Sing a new song, Chiquitita
Try once more like you did before
Sing a new song, Chiquitita
Try once more like you did before
Sing a new song, Chiquitita
