

Trường Mầm non Hương Sen- Quận Gò Vấp
Lớp: Lá 1

Câu hỏi: Bé hãy điền chữ số thích hợp để hoàn thành các ô tách/gộp bên dưới. 🔊

9

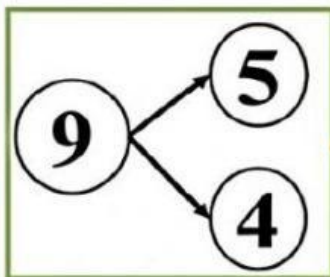

The diagram illustrates a subtraction problem: 9 ants minus 4 ants equals 5 ants. The top box shows 9 ants. The bottom-left box shows 4 ants, and the bottom-right box shows 5 ants, representing the result of the subtraction.

Visual discrimination task for grasshoppers. The top row contains two boxes with grasshoppers (2 and 7) and two empty boxes. A large green arrow points to the bottom row, which contains one box with 9 grasshoppers and one empty box.

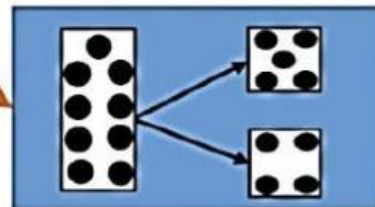

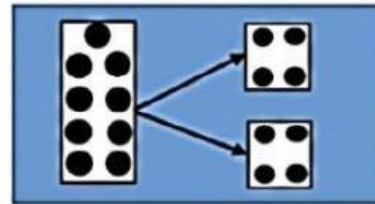

Visual discrimination task for butterflies. The top row contains two boxes with butterflies (8 and 1) and two empty boxes. A large green arrow points to the bottom row, which contains one box with 10 butterflies and one empty box.

Câu hỏi: Bé hãy nối các dãy tách/gộp ở cột A tương ứng với cột B.
