**Mom** How do we get to the hospital?  
**Max** I think it's near the book store.

**Mom** No, it's next to the library. It isn't near the book store.  
**Max** Oh no! Sorry, Mom.  
**Mom** Let's go back to the traffic lights.

**Mom** Turn right. It's opposite the school, between the traffic lights and the library.  
**Holly** Visiting time starts in five minutes!  
**Mom** Yes, come on. Walk fast!

**Uncle** Hello! We can take you to the hospital.  
**Max** Thank you!  
**Holly** Great! We can all see Grandma together.
