

My Last Vacation

Read about Annie's vacation

Hi, I'm Annie! I live in Michigan, USA. On my last vacation me and my family traveled to California. We stayed in a beautiful hotel. We went to the beach every day and swam in the ocean. My mom took a lot of photos and suntanned (השתזפה). My dad and I played ball on the beach. On Tuesday we went fishing. We also visited some museums. I love them, they were very interesting. One day we went to a restaurant, I ate pasta and my parents had fish. After that, we walked to the city center and bought some souvenirs. I had a great time there, I was very sad to come back home.
