2 ★★ Read the comments again and check the meaning of these words in a dictionary. Then complete the sentences.

- 1 A child with autism might not have good communication or social skills.
- 2 My brother used a crutch for a while after he broke both his legs.
- 3 We have to face our problems if we want to solve them.
- 4 Rock climbing is exciting and dangerous – it's one of the oldest sports.
- 5 We've learned to do some great new tricks on our skateboards.

- 1 Jake has an unusual talent for remembering numbers.
- 2 He's doing research in astrophysics.
- 3 Aaron invented new skateboard and BMX tricks.
- 4 A lot of people watch Aaron's wheelchair tricks online.
- 5 Bethany started surfing again three weeks after the shark attack.
- 6 First there was a film about her, and after that she wrote a book.

- 1 Which person in the comments has faced the biggest challenge? Why?
- 2 Have you faced a big challenge? What was it?
