

NATURAL SCIENCE TEST. UNIT 1. LIVING ORGANISMS

Name:.....Date:.....

1. Tick (✓) the examples of **living things**.

a. Birds	c. Trees	e. Rivers	g. Robots	i. Fungi	
b. Cars	d. Algae	f. Bacteria	h. The Moon	j. Insects	

2. **Match.**

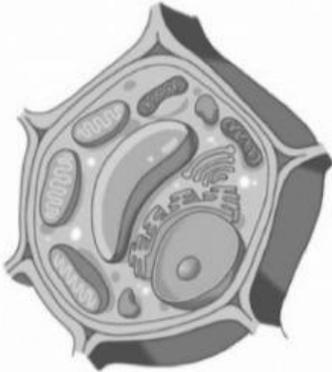

- | | |
|--|---|
| <p>a. Animals interact with the</p> <p>b. Plants reproduce through</p> <p>c. Animals feed on other</p> <p>d. Plants make their</p> <p>e. Plants cannot move around but</p> | <p>1. own food from sunlight.</p> <p>2. environment and other living things.</p> <p>3. they respond to stimuli, like the light.</p> <p>4. plants or animals.</p> <p>5. seeds or spores.</p> |
|--|---|

3. **Write:** nutrition, reproduction or interaction.

- a. Birds lay eggs in nests and look after them. _____
- b. Lions live in extended families in Africa. _____
- c. Plants make their own food from the sunlight. _____
- d. Some monera feed on dead plants and animals. _____
- e. Humans usually give birth after 9 months of pregnancy. _____

4. **Read and write** the words from the box. There is an **extra word**.

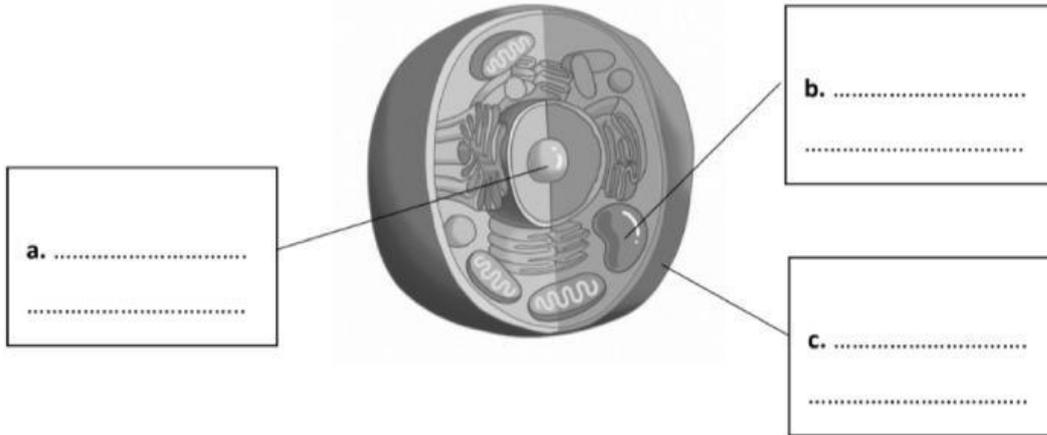

cell membrane cell wall small chloroplasts large nucleus

<p>Plant cell</p> 	<p>a. Plants are rigid because of the</p> <p>b. Their contain a green substance called chlorophyll.</p> <p>c. It has a that controls all the substances entering and leaving the cell.</p> <p>d. The controls cell functions.</p> <p>e. There is water in the vacuoles.</p>

NATURAL SCIENCE TEST. UNIT 1. LIVING ORGANISMS

5. **Read** and **write** the words from the box. There are two **extra words**.

large vacuoles cell membrane cell wall nucleus small vacuoles

6. **Circle** the correct kingdom.

- a. They are unicellular and usually live in or near water → **protists / animals**
- b. They can be multicellular or unicellular and reproduce using spores → **plants / fungi**
- c. They cannot move around and produce seeds or spores to reproduce → **fungi / plants**
- d. They are unicellular and can live on land, in water or in the air and even inside other living things → **monera / plants**
- e. They are multicellular and eat other living things. They lay eggs or have babies → **plants / animals**

7. **Label** the pictures.

a.			<p>.....</p> <p>.....</p>
b.			<p>.....</p> <p>.....</p>
c.			<p>.....</p> <p>.....</p>
d.			<p>.....</p> <p>.....</p>
