Hi. My name is Donna. My parents got divorced when I was very young. After a few years, my mother got married again. Her second husband's name is Ray. After my mother and Ray got married, Ray and his daughter Gabby came to live with us. Gabby and I are the same age, and she's my best friend.

My father remarried five years ago. His new wife's name is Katharine. They have a four-year old son named Jess and a two-year old daughter named Allison. My father and his new family live near us, so I visit them on the weekend. It's fun having a little brother and sister.
