

RISPONDI CORRETTAMENTE:

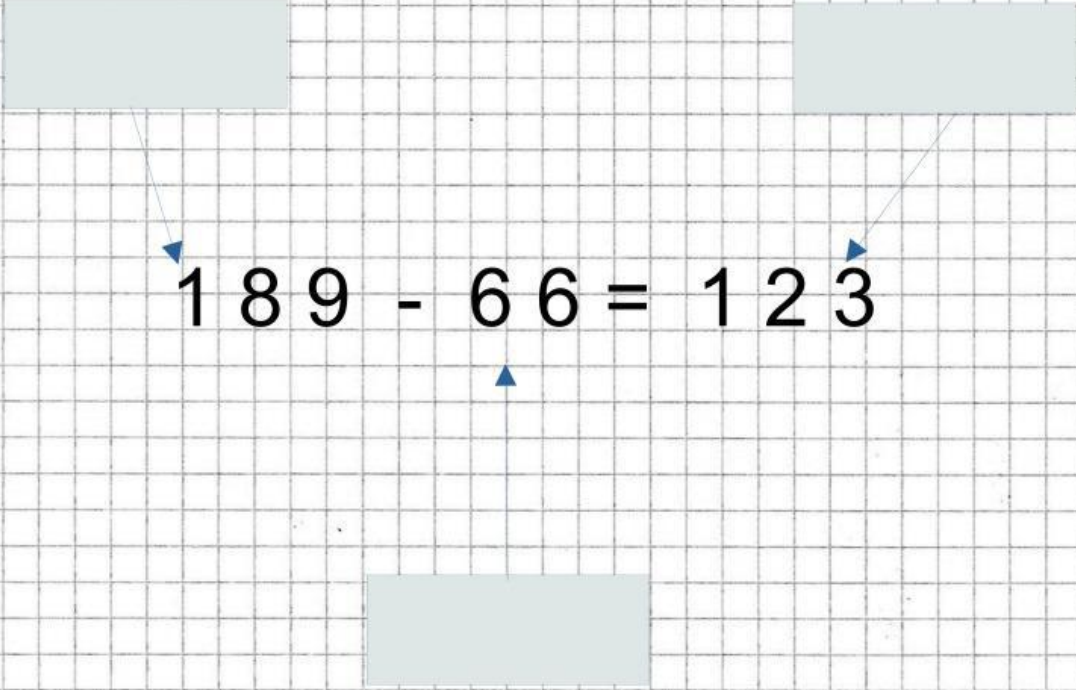

TERMINI DELL'ADDIZIONE

A diagram with three light gray rectangular boxes. The top-left box has an arrow pointing to the '1' in '126'. The top-right box has an arrow pointing to the '1' in '190'. The bottom-center box has an arrow pointing to the '6' in '64'.

$$126 + 64 = 190$$

TERMINI DELLA SOTTRAZIONE

A diagram with three light gray rectangular boxes. The top-left box has an arrow pointing to the '1' in '189'. The top-right box has an arrow pointing to the '3' in '123'. The bottom-center box has an arrow pointing to the '6' in '66'.

$$189 - 66 = 123$$
