- trees - wind - world

It's a beautiful fall day in Lakeville. The \_\_\_\_\_ are full of bright red and yellow leaves. There are apples, peaches and pears on the trees. Paul and Megan are standing next to the \_\_\_\_\_ which is full of clear blue water. They are planting a tree. A cool \_\_\_\_\_ blows gently. Megan remembers the Kingdom of Waters. "Things are very different now, aren't they?" she says to Paul. "A lot of things are different. There's water now for all the plants and \_\_\_\_\_," he says. "For us, too," Megan adds. The wind blows again. Paul remembers flying with Amedrah, looking at the lakes and rivers of the Kingdom of Waters. "Too bad Amedrah the dragon can't visit us here. I want to fly on his \_\_\_\_\_ above Lakeville and see the lake from the air. I bet it looks beautiful!" They take the Magic Rain Book out of Paul's \_\_\_\_\_. They look at the book's cover. In the bright \_\_\_\_\_, they see something new and surprising. The title says, "The Kingdom of Waters." Under the title, it says, "Imagine it is your \_\_\_\_\_!" "I have an idea," Megan says. "Let's imagine that Amedrah the dragon is here with us in our world!" The kids close their \_\_\_\_\_. The wind starts blowing. The kids look up. A purple dragon appears in the clear blue \_\_\_\_\_. Paul and Megan look at each other and smile.
