WHERE
ANIMALS
LIVE

The worksheet is titled "WHERE ANIMALS LIVE" in a central white circle. It features 12 numbered blanks for students to write the habitats of the animals shown. The animals are arranged in four groups, each with a corresponding background image: a camel and iguana in a desert (1, 2, 5), a whale and dolphin in the ocean (3, 4, 6), a gorilla and snake in a jungle (7, 9, 11), and a polar bear and penguin in an arctic region (8, 10, 12).
