## Reading 1. At the concert

3 Read and choose *T* (true), *F* (False) or *DK* (I don't know).

Today I'm so nervous! My favourite Pop music band is in the city. This is my first concert with a famous group and I'm really excited! This is the plan. We already have the tickets and the transport organised. Our first stop is a restaurant. We want to eat a pizza and then... it's time for the stadium! It's important to arrive early. I want to be near the stage to see the band and listen to their songs up close.

- 1 The concert is on Saturday.
- 2 They visit a restaurant.
- 3 The concert starts at 8 o'clock.
- 4 He loves this Pop band.
- 5 He wants to eat an ice cream.

## Writing

5 Make notes about your favourite animal. Then write.

| My rabbit Tom                                      |                                                                                                                                                                                                                                                                                                                                                        |
|----------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
