Refer to the Focus Question on page 2 of this title to guide discussion and support additional learning connected to the text.

Visiting a bookstore is an exciting trip, which some students may be familiar with, while others may not. **The Bookstore** is a simple story that allows students to learn what they can see in a bookstore. Detailed illustrations, high-frequency words, and repetitive phrases support early emergent readers. The book can also be used to teach students how to identify the setting and to recognize and use nouns.
